# MAX KADE CLINICAL CLERKSHIP HOW TO APPLY

## INSTRUCTIONS FOR AUSTRIAN STUDENTS:

Requirements:

- Austrian students should apply in their 5th year of medical school to complete a clinical clerkship in the US during their final (6th) year of medical school.
- Candidates need to apply 6-12 months in advance.
- Participants must be enrolled at their home university as medical students for the duration of their rotation in the US.
- Eight weeks of core clerkships in the following specialties must be completed prior to the application at our US partner institution or before the start of your stay in the US: Internal Medicine | Surgery | Obstetrics/Gynecology | Pediatrics and Psychiatry. On the application form, please state all core clerkships that you have completed by the time of your application and all core clerkships that you are planning to complete before your fellowship.
- Applicants need to provide proof of perfect English skills through an official English certificate (TOEFL iBT, Cambridge Certificate, IELTS or Matura diploma) or be an English native speaker.

Please submit the following documents via email:

- Application Form (page 1, 2 and 3)
- Official Transcript of Records
- Letter of Recommendation
- Application Essay
- Updated CV

After the application deadline, the AAF selects candidates and assigns them to our partner institutions. Selected students have to apply directly to their assigned host institution six months in advance to their fellowship and need to fulfill all requirements from the designated host institution. These can differ slightly depending on each institution and the medical specialty. The requirement criteria can be found on the institution's websites. The TOEFL test is necessary only for some institutions. Exact fellowship dates depend upon the host institution and cannot be changed.

**The application deadline for 2025 is May 31, 2024.**

**Only complete applications will be considered!**

**Please do not hesitate to contact us if you have any questions.**
