JONATHAN BALDIN CASTRO, M.D.

OMI Fellow from Mexico

This seminar will impact my career in multiple ways and open many doors, which could not have even been imagined before. The professional opportunities that have already arisen from the OMI seminar are paving my way as an urologist.

LINA HERNANDEZ, M.D.

OMI Fellow from Colombia

To wrap up the day, the faculty members joined forces to demonstrate effective case presentation techniques.

JACKSON KWIZERA NDEKEZI, M.D.

OMI Fellow from Rwanda

I was particularly intrigued by Dr. Eriksson's talk on neuromuscular monitoring. These devices play a crucial role in optimizing patient care in my practice on a daily basis.

JOCELINE MARY ISRAEL-DODOO, M.D.

OMI Fellow from Ghana

The seeds of change have been planted in Salzburg. Now I'm ready to cultivate improvement in Ghana's pediatric landscape.

MINH V. A. PHAN, M.D.

OMI Fellow from Vietnam

Dr. Hemmings captured our attention with his insightful lecture on molecular mechanisms of anesthesia and provided us with a comprehensive understanding of this complex topic.

DR. KÄTLIN PUKSAND

OMI Fellow from Estonia

During my residency training in Estonia, I watched webinars and read articles written by doctors from Hospital for Special Surgery, so I really appreciate the opportunity to learn from them in person.
